

# REME • ION™

With REME-LED™ Technology  
*Air Purification System*

The REME ION™ improves air quality in your home or office by efficiently reducing allergens, odor, mold, bacteria, and VOCs (airborne chemicals). Employing advanced oxidation and ionization, the REME ION™ quietly cleans the air you breathe.

## FEATURES

- Plugs into existing outlets
- No wiring required
- Economical and portable
- Low maintenance
- REME-LED™ Technology
- Advanced catalyst
- Bi-polar ionization
- Washable filters
- Low power, long life
- Approved for sale in California

## REDUCES AIRBORNE

- Bacteria
- Mold
- Particulate
- Odors
- Smoke
- Viruses
- Microbial
- VOCs

## Specifications

|                    |                                    |
|--------------------|------------------------------------|
| Dimensions:        | 2.76" x 2.76" x 6.9"               |
| Product Weight:    | 13.6 oz.                           |
| Electrical:        | 12 VDC 0.4 A                       |
| Power Consumption: | 5 watts                            |
| Treatment Area:    | 200 sq. ft.                        |
| Technology:        | REME-LED™ with Bi-polar Ionization |
